Held via teleconference & Broadcast via live radio on:

BRISTOL BAY
Regional Seafood
Development Association

Bristol Bay Sockeye Salmon Resource Value & Allocation

Notes: First Wholesale Value is compiled on a harvest year basis (June of fishery year through May of following year). Final ex-vessel value is estimated based on quality/production bonuses paid out in previous year, actual final ex-vessel data will not be available until June or possibly later.

Sources: Alaska Department of Fish & Game (Annual Management Report, Season Summaries, and COAR) and Alaska Department of Revenue (Alaska Salmon Price Report). Compiled by BBRSDA Staff.
